

Ministry Commission Focus Groups (Community Conversations)

Phase II of Meet Me @ Ebenezer

GET INVOLVED - WE WANT TO HEAR FROM YOU

Ebenezer Baptist Church is building upon our evangelistic efforts and strengthening our church ministries as we move from “Heritage to Higher Ground”. A few weeks ago we announced the launch of member driven Ministry Commissions that are charged with aligning the ministries of our church with our shared vision and purpose statement. The five Ministry Commissions want to hear from you and will hold open Focus Groups (Community Conversations) designed to give our congregation an opportunity to participate in this important process. Focus groups participants will help inform the Ministry Commissions through sharing your ideas, perceptions, expectations and experiences. The focus groups will run no more than 90 minutes and space is limited so please RSVP to emails listed below each focus group to reserve your space.

The Congregation is invited to contribute to the Ministry Commission process by participating in the focus groups as listed below:

| | | | |
